RECOMMENDED FOOD VENDORS

Below is a list of food vendors who support THE Spring Games and PFX Athletics. Please note the vendors authorized for delivery into the parks. We request for ALL large orders that you notify the food vendor at least twenty-four (24) hours in advance of the order so they are best prepared to serve you!

Tips for going to restaurants as a team:
1. Call ahead - preferably the day before - to let them know you are coming and how many people they can expect.
2. Let the restaurant know you are with PFX Athletics and THE Spring Games (you might have to say "college softball" for the bell to ring!) and most restaurants will give you a discount!
3. Have one person place the order (rather than having each person go to the counter individually). One check is helpful too!
4. Wait (outside, if the weather is nice) to be seated until the restaurant is ready to serve you. In many cases, the restaurant can put your entire group together if you give them time to do so (see tip #1, above).
5. Pre-order! Pre-Order! Pre-Order! If you pre-order your food AND call ahead, most restaurants will have your seating area ready for you and your food hot and ready in a reasonable time after seating you. It will provide for a better experience for everyone!
